

# New Way Senior Newsletter

August 26, 2016

## CAREER CORE

Career CORE seniors started the process of obtaining their food handlers card this week. Students have shown great interest in learning about food safety and health codes. Additionally, these students have been hard at work in counting and recording PBIS ticket data for the entire school. Their career preparation continued today as we began to write Cover Letters for job applications.

Next Friday, Career CORE seniors will take a trip off campus to volunteer with the ASU Ground Services Arboretum program. This is a great opportunity for students to practice their vocational skills in a volunteer setting.

## COLLEGE CORE

Students officially completed their first week of college courses. College CORE seniors spent the week purchasing textbooks, organizing their calendars and preparing for a successful semester.

The first CPD 150 assignments of the year are due Sunday, August 28 on [Canvas](#).

## ACT TESTING INFORMATION

With college applications in the works, ACT season is upon us. Students interested in taking the ACT could qualify for Special Testing Accommodations. Students have the opportunity to request extended time over multiple testing dates here on New Way's campus. Qualifying students can test during or after school based on preference. Please contact Ms. Casanova to discuss registration deadlines and documentation requirements.

October 22 | Registration Deadline - September 16  
December 10 | Registration Deadline - November 4  
February 11 | Registration Deadline - January 13  
April 8 | Registration Deadline - March 3  
June 10 | Registration Deadline - May 5

## UAT SENIOR FIELD TRIP

**Monday, September 19 | Career and College CORE**

New Way Seniors will visit the [University of Advancing Technology](#) on Monday, September 19. We are thrilled to expose students to this unique post-secondary institution that is completely technology and innovation centered. UAT offers degrees in Digital Arts, Hardware Creation, Programming, Cyber Security, Game Studies and Advancing Business Technologies. Our students will explore the computer-based classrooms, the technology and fabrication labs, the commons, the cyber-security cave and beyond. Students will leave campus at 1pm and will return by the end of the school day.

## NAU TRANSITION WORKSHOP

**Wednesday, September 28 | 5:30 - 6:30pm**

On Wednesday, September 28 at 5:30pm, students and families are invited to join us as we learn about [Northern Arizona University's](#) academic programs. This presentation will spotlight Flagstaff, the campus community, degree options, academic supports, Disability Resources, student life, campus housing, admission requirements, scholarships, tuition, financial aid, and beyond.
