CAREER CORE

The Career CORE students continued their quest to attain food handlers cards this week and each student is now certified to safely handle food. This will come in handy in the CORE kitchen, but it is also a certification that will help when searching for a job. SMILE Biscotti made their debut on campus this week. Students learned about the business and discussed safety in the kitchen. Each Thursday, they will meet with the SMILE team to explore all of the different elements of the business. We are really excited about this partnership!

COLLEGE CORE

College CORE students put their interview skills to the test this week. Students enjoyed interviewing each other, brainstorming responses, and practicing appropriate answers and etiquette.

HALF DAY SCC TRANSPORTATION

On Thursday, September 15, despite the half day schedule, College CORE seniors are still responsible for attending CPD 150 that afternoon. Students will have lunch and independent work time in the cafeteria with Ms. Casanova from 12pm to 12:55pm before departing for class. New Way will ONLY provide transportation to SCC, but we will NOT provide rides after class. Students will need to be picked up at 2:45pm at SCC.

ACT PREP COURSE AT NEW WAY

We are thrilled to announce that New Way Academy, in partnership with NorthBridge College Success Program, will offer an ACT preparatory course this fall! The class will be held on Wednesdays, at New Way, from 2:15pm to 3:45pm running from September 14 through November 9 (with no class over Fall Break). This course will expose students to the ACT format, sample questions, and online study materials. Students will have a better understanding of the ACT and a holistic overview of the testing process. There will be a course fee of \$150. To enroll your student, please complete [this form](#) by TODAY, Friday, September 9.

With college applications in the works, ACT season is upon us. Students interested in taking the ACT could qualify for Special Testing Accommodations.
