CAREER CORE

Career CORE students launched their coffee business, Bulldog Joltz, this week! Through this opportunity, students will gain the hands-on experience of running a business from all perspectives including purchasing supplies, production, marketing, selling, and calculating their profits. Students also continued to learn about post-secondary options for life after New Way and explored different funding opportunities that may be available.

COLLEGE CORE

After starting the week with a festive Carmel Apple decorating contest with the entire senior class, students explored post-secondary programs. Students discussed community colleges, technical schools, and universities. College CORE students gained a more holistic understanding of degrees and opportunities associated with specific educational pathways.

At SCC, students explored interpersonal communication. On Sunday, November 6, students have a Quiz, Journal and Video Reflection due through Canvas; Chapter 11 notes are due in Google Classroom.

#LOVEUP

November is a time when people often reflect on moments of gratitude and how we can pay it forward to others. The JohnJay and Rich Radio Show started the #LoveUp Campaign that encourages people to promote love and kindness. New Way High School Students are joining in the meaningful movement. Students are encouraged to go out of their way to complete random acts of kindness. Students will report each act of kindness to their homeroom teacher which will be recorded on a graph. As seniors and leaders on campus, we encourage our students to actively engage in the #LoveUp campaign.

SENIOR CLASS PHOTOS

Wednesday, November 9

As these photos will be cherished for years to come, students are encouraged to dress nicely. Jeans are not permitted and slacks, skirts, suites, or dresses are encouraged.
